**Related subject:** Escomb/Witton park/west Auckland

I feel that the new super area which is being considered is far too big for all of the smaller villages, we will get lost in the bigger picture. It's senseless to put a wear valley village in with a teesdale area.

We need to still be grouped in with West Auckland as it's closer to our area and the councillors won't be overwhelmed and stretched too far and can do a decent and proper job
