**Related subject:** Proposal to move Greencroft Parish to Consett North

PLEASE LINK THIS TO MY COMMENTS SENT EALIER THIS MORNING. Thanks.

I forgot to mention in my submission sent a few minutes earlier this morning that another unique strong link between the farming and residential communities of Greencroft and Lanchester was the annual Lanchester Agricultural Show.

Until Covid struck, Lanchester Agricultural Show has been held on Greencroft Parish land between Esp Green and Newhouses farms most years since 1952.

This is another illustration of the strong links Greencroft Parish has to Lanchester Parish and we do not wish this link to be severed.
