Related subject: The Dene, Medomsley

I have just been made aware of the proposed changes to boundaries and am very much against the proposal to separate The Dene from Medomsley and Consett. The Dene has always been a part of Medomsley and Consett is our nearest town with the amenities which are required for residents of The Dene. I fear that if these boundaries are altered, The Dene will become even more isolated than it already is. We are stronger if we remain a part of Medomsley and Consett.
