RE BOUNDARY COMMISSIONS PROPOSALS

My name is [REDACTED] I have lived in the Parish of North Hookey since 1912, in Picktree Village since 1987. I very strongly oppose any proposals to change the Boundary of our Ward. I am not quite sure what is proposed but I have no desire to be linked in any way with Hunley or Burnmoor both villages being 2 to 3 miles away whereas Chester-le-Street is one mile away. We are a parish of Chester-le-Street our Church is at Chester-le-Street. Burnmoor and Hunley both have their own Parish Churches. We are members of Chester-le-Street LIBRARY, we shop at Tesco in Chester-le-Street. Our Doctors of over 50 years are located at Bridge End Surgery. Our Dentist is at South Burns Chester-le-Street. We have no wish to be linked to Gateshead or Newcastle. We do go to Durham for the Hospital and also occasionally to do shopping at the Arnisson Centre. There is a very good bus service to Durham.

No to the nonsense of any change.

Rs [REDACTED] Some of us don't have E MAIL a telephone No would be useful.
