**Related subject:** Maiden View/Maiden Law becoming part of Consett North rather than Lanchester

Under the draft proposals our estate is to become part of the Consett North division rather than the Lanchester division. We strongly object to this proposal as we are part of Lanchester Village not Consett. Geographically we are on the edge of Lanchester and we use all the facilities in Lanchester - shops, doctors, schools and as such we would want to retain a say in what happens in our area. Furthermore it is our consideration that our estate should be part of Lanchester Parish Council not Greencroft Parish Council as again we are much closer to Lanchester than Greencroft.
