To even up the voter numbers and make the ward more geographical consistent with better defined boundaries to aid resident awareness, include the new Wryley View estate formerly Cerro factory and Henley Close, Goscote Lane up to Well Lane or Slickly Lane boundary to square off area also to include A34 Stafford road from the Bell Public House to the Turnberry Estate traffic lights junction and all the off A34 roads to include Lydford, Enderley and Beechwood would give a clearer boundary being the KGV Park so all Stafford Road both sides in a single ward, there are no joining roads in this area to the Bloxwich West ward.

Remove the Bloxwich South anomalous section of Somerford, Irvine Nursery Old Place and High St to be divided between Bloxwich West and Kenmore wards to give defined boundaries. This should increase voters numbers and name the ward more geographically consistent and uniform to voters.
