**Organisation Name:** Worplesdon Parish Council (Parish or town councillor)

## Comment text:

**Related subject:** Jacobs Well

Although I understand that Jacobs Well will still be part of Worplesdon Parish Council I cannot see any logical reason for it to be 'moved' as part of the SCC boundary changes I have lived in Jacobs Well for nearly 50 years, and the village has always been linked to Worplesdon Parish Council. I therefore strongly disagree with this proposal.
