

WORCESTERSHIRE

January 2024

Currently there are:

- 57 councillors
- 52 divisions
- 5 two-councillor divisions and 47 one-councillor divisions

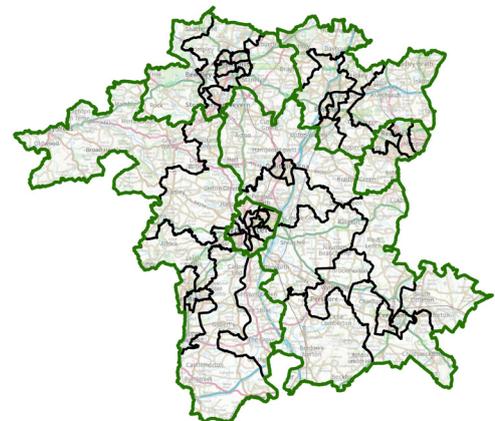

We are proposing:

- 57 councillors
- 52 divisions
- 5 two-councillor divisions and 47 one-councillor divisions

A public consultation is open until
18 March 2024

We aim to make sure Worcestershire
councillors represent a similar
number of electors

Currently there are:

- Ten divisions that are more than 10% away from the average number of electors per division
- One division that is more than 20% away from the average

Our proposals mean that:

- 5 will be more than 10% away from the average number of electors per division
- Each councillor will represent an average of 8,687 electors
