Comment text:

I and my Residents Association, entirely agree with the Electoral Commissions proposals for East & West Molesey.

In particular, the kinds of changes proposed were made to the Electoral Commission last time the Review was held. The detail changes then were different, but the purpose of them was the same as of now, i.e. that linking East Molesey with Esher has no geographical or community sense.

Whilst the detail changes being proposed now are different to those previously asked for at the last Review, the objective of the changes now proposed is the same as previously made. It is the objective which is important and not necessarily the exact way it is achieved, therefore both I and the Molesey Residents Association, totally support the Electoral Commission's proposals for East & West Molesey,

Ernest Mallett
