Related subject: North moles

Please leave north moles as lancashire I moved put of sefton to here as the ainti social behaviour is awful places are not looked after by the council or the residents unless it's a nice place like Southport etc were I am now the people are better the area is well kept the schools are better! Don't drag us down to the standards of bootle & litherland I left that place for a better life! I don't want to be reminded of it by the same council! My little girl is terrified of that place police banging on our door to get to the idiots throwing bottles an fighting with one another in the street rubbish everywhere it's an awful place with a council that dose not care look what you have done to the pier at Southport that's been left to be run down now probably knock it down an build houses! So the top lot getter better paid while it's the people and business suffering! Leave north moles in lancashire
