I reject the recommendations of LGBCE for the way in which it proposes to treat Oxshott. The village of Oxshott is a village and stands by itself, its isn't aligned with anywhere else. Its has its own schools, Shops, doctors, station, petrol station, sports club, pubs and restaurants. It is surrounded by beautiful green belt countryside and is proud to be its own place. This proposal is ridiculous and its just a waste of time to even think that it could be split. The village is quite firmly on the map and has the signage, history and community to support that. These LGBCE recommendations are not justified.
