With Ref. to proposed changes to
the Dittous Electoral Division.

I wish to object,
Weston Green + Thames Ditton
have been together for
a very long time + all of
The Dittous including Long
Ditton should remain together
They've been mentioned in
the Sunday book + should
remain together, connected as
one.

These proposed changes
make no sense + seem
a dreadful waste of tax
payers money, which could
be better spent on what
needed in our area. We pay

alot for our counsel tax
+ seem to get less + less
for it.

Please think again +
leave ~~leave~~ it as the
current Division, with
Thomas Sitten, Long Sitten
+ Weston Goss as it always
known as The Sittens.

Sincerely,
