Organisation Name: (Member of the public)

Comment text:

I object to the Boundary Commission's proposal to carve up Thames Ditton and Weston Green. Although my electoral area is Weston Green my postal address is Thames Ditton. Weston Green residents feel part of Thames Ditton which is also closely linked with Long Ditton. There is a real sense of community, served by one County Councillor.

It would serve no useful purpose to the residents to separate Thames Ditton from Weston Green.
