I fundamentally reject the recommendations of LGBCE for the way in which it proposes to treat Oxshott. Oxshott is a village of about 5000+ people. It has its own High Street, School, Medical Centre, Station, Church, Village Centre and Sports Club. It is surrounded by Green Belt land and woods which separates it from neighbouring towns, thereby preserving its charm and character. There can be no justification to obliterate the name of Oxshott and divide it in two along an arbitrary line drawn through the High Street. It would be a sacrilege to engulf Oxshott into the neighbouring towns, destroying the village which I have lived in for over 25years. I therefore implore the LGBCE to reconsider its proposal and to retain the existing boundaries whereby Oxshott continues to be part of the division of Hinchley Wood, Claygate and Oxshott
