Personal Details:

Name: [REDACTED]
Email: [REDACTED]
Postcode: [REDACTED]
Organisation Name: (Member of the public)

Comment text:

Related subject: Oxshott, elmbridge

I strongly disagree with the recommendations to split Oxshott. Thereby dividing the community, particularly by arbitrarily drawing a line down a main road. This would lead to the loss of community identity and result in poorly defined and unclear representation within SCC. This could have serious implications for the ability to get continued funding for improvements to the A244. In addition, there can be no justification for the obliteration of the name of Oxshott.
