Dear Sir/Madam

Dittons Division

I am writing to register my views against the proposed Boundary Commission changes to the current Dittons Division within Surrey.

Surrey County Council did not propose any major change to this Division as it works well.

The current division boundary is clear, easily identifiable, familiar to residents and breaking it up will weaken the strong Dittons community as evidenced by its active and effective Residents' Association.

The proposed changes would be a retrograde step in disassembling the existing effective democratic arrangement and I urge you not to proceed with them

Yours faithfully
