**Related subject:** Long Ditton

I disagree strongly with the proposal to separate Long Ditton from Thames Ditton and align it with Hinchley Wood. I Long Ditton being have lived in Long Ditton for 17 years and consider Long and Thames Ditton to be part of the same area 'The Dittons'. Long Ditton Junior school, where both my children attended, is actually in Thames Ditton and lots of other activities and amenities cover both Long and Thames Ditton eg: Dittons Fair, About Thames Ditton magazine, The Dittons Scouts and both communities merge into one another. It will really change our community if we are separated from Thames Ditton.
