I strongly disagree with the proposal to divide Oxshott in half, effectively eliminating our town. Why and whoever thought you can arbitrarily do so? My train station, GP office, Village Sports Club would be on the other side of the boundary. The only logical way to move this boundary, if there is any need to do so, is at "The Avenue". The Avenue is a mostly unpopulated boundary, so an ideal option. Please take into account the views of Oxshott residents!!
