**Related subject:** Long Ditton

These proposals are ridiculous in my opinion. Half of Long Ditton has a KT7 post code so residents think of themselves as part of both communities ie Sugden Rd etc. Also many bodies are linked as Dittons ie Scouts, Police, Giggs Hill Fair and the 'About Thames Ditton' magazine covers both communities. We have much stronger links to Thames Ditton than Hinchley Wood which is further away. So I recommend these proposals are changed and Long Ditton and Thames Ditton are kept unchanged
