Dear Boundary Commission

I am writing to you to log my opinion regarding the proposed boundary changes Thames Ditton & Weston Green.

Following a review of the proposed changes, I can only come to the conclusion that it is a political request and does not meet your main criteria;

It does not improve Electoral equality, it makes it worse
Thames Ditton & Western Green have a long history as a joint identity and has a thriving residents association
The County Council is not in favour and the new proposals link areas that confuse who belongs to what area.

I am against this proposal

Regards
