## Comment text:

We strongly disagree.

We have lived in Oxshott for over 30 years and are part of the community and believe Oxshott should remain its own settlement. The boundaries of Oxshott are clearly defined by either roads or Green Belt. The village has a strong high street with shops, restaurants, schools and a train station. Oxshott has a population of about 5,000+ people. My views are that Oxshott should remain as it is and not separated by a line on a map. What happens with catchment areas for Doctors, schools etc...
