Comment text:

Related subject: Oxshott

I am concerned by the proposals and specifically the impact that it will have on Oxshott. The proposal will effectively split the village in two, and I am concerned that Oxshott will be swallowed-up into a larger area and its needs/interests will become harder to be heard. It seems very arbitrary to split the village in this way and surely there must be alternative ways of dividing the area without such a large impact on an individual local community.
