**Related subject:** Long Ditton

I completely object and disagree to the proposed proposal to separate Long Ditton from Thames Ditton and align Long Ditton with Hinchley Wood. Long Ditton is part of the 'Dittons' which is Long and Thames Ditton - 'The Dittons' have been strongly linked together since the Middle Ages. These two communities are closely linked in terms of proximity, communities, families and schools.

The Dittons share a Scout group.

The Dittons Fair - annually takes place on Giggs Hill Green in Thames Ditton and is attended by Long Ditton and Thames Ditton communities.

Royal Mail identifies many addresses within Long Ditton as Thames Ditton areas eg, Sugden Road.

Stokes Field nature reserve in Long Ditton is widely used and enjoyed by residents of Thames Ditton.

Many Thames Ditton residents use the Long Ditton Green Belt land recreationally.

The TDWGRA made a significant financial donation supporting the Village Green campaign in Stokes Field and One Tree Hill, Long Ditton.

Long Ditton Residents Association and Thames Ditton Residents Association officers regularly collaborate on lots of issues and are united in their objection to this ridiculous and totally unnecessary proposal. What on earth is the Council thinking - it clearly does not care about The Dittons.

Long Ditton and Thames Ditton are not separated by any natural or man-made boundaries and the residential dwellings merge seamlessly.

One Surrey County Counsellor serves the Dittons community as a whole.

The proposals are at complete odds with all three of the Commissions own criteria! Utter nonsense.
