The Dittons should be kept together, as should the Molesey's (East and West). Your current proposal is dividing communities unnaturally. Thames Ditton is not bounded by the Portsmouth Road as implied here, please put Thames Ditton and Long Ditton together.

We have an annual Village Fair which takes place in the middle of our communities 'The Dittons Fair' which has been going for almost 70 years and takes place on Giggs Hill Green.

We also currently share a County Councillor which works well as The Dittons. Please keep them together.

What you are proposing is not good for local community.
