I cannot understand the reasoning in the proposed plan to divide Oxshott in the plans to reorganise the SCC boundaries in Elmbridge. Why divide a community? This can only lead to confusion and a loss of unity and sense of belonging in Oxshott. I appeal that this will be reconsidered. In addition I am appalled that Oxshott is to lose its name. It is a place with a long history which needs to be recognised and retained. What possible reason can there be to remove its individual identity.
