Comment text:

Good evening;

I write in relation to the proposed boundary changes specifically in relation to Thames Ditton & Weston Green.

This proposal would result in two County Councillors serving our community. The current division boundary is clear, easily identifiable, familiar to residents and, most importantly, it works. This is why Surrey County Council themselves did not propose any major change.

These proposals are not only completely unnecessary, but would divide our community and therefore I object most strongly to them - just leave it alone; if it ain't broke
