Dear Sir or Madam

I am writing to express my profound reservations to the proposed division between Weston Green and Thames Ditton by the Boundary Commission.

As a resident of Weston Green, I feel absolutely part of the Thames Ditton community. Historically, Weston Green has been seen as inextricably linked to Thames Ditton, from the Domesday Book to the joint residents association which works on behalf of all residents. To now arbitrarily divide this community would go against its historic and contemporary identity.

In terms of electoral equality, the existing Dittons Division is far closer to the ideal Surrey average for electoral equality than the proposed new division. The proposed division would also lead to two County Councillors for one community which seems illogical and a waste of money. Presumably this is why no such proposal has been put forward by Surrey County Council.

I would strongly urge you to reconsider this proposal which seems neither logical nor wanted by the residents whom it will affect.

Yours faithfully,

[REDACTED]
