To LGBCE,

Please accept my comments regarding the proposal for new division boundaries.
My family and I live in Kington within the parish of Kington and Dormston.

It is very important to me and my family that Kington and Dormston remains within the Upton Snodsbury Division.
We very much associate with the other villages belonging to Upton Snodsbury that are of a similar size along the A422 between us and Worcester; ie Flyford, Grafton Flyford, North Piddle, Upton Snodsbury, Broughton Hackett, and this is what we consider to be our local community.
Within the Upton Snodsbury division we are villages having similar interests and shared issues. This is evidenced by our Parish Council meetings which are very well supported by Councillor Linda Robinson who enables interaction between local PCs on common issues which happens on a regular basis.

I strongly believe that Kington and Dormston belongs within the Upton Snodsbury division.
