I believe that by splitting the Ward of Hendon down the middle. Removing the work that has been put into trying to improve the area, and organisations that have been set in place with funding to build a better option, and living in environments for the residents would be detrimental to both the public, and organisations built to improve this, this is why am against the current form of changing the way the Ward is represented in the council, implications of a weakness to the residents views, and ability to improve, with one or both sides losing out in the funding of the organisations and public
