It is important that Balsall Parish and Berkswell Parish remain within the same ward following the review. The Parish Council boundaries are historic and since their inception the village of Balsall Common has expanded significantly and is set to grow by another c2000 homes according to the draft Solihull Local Plan. Balsall Common lies within both Balsall Parish and Berkswell Parish and the 2 communities are closely intertwined. The Parish boundaries are crossed daily for schooling, work, worship, clubs and societies and for medical appointments. There are also shared community organisations such as the local magazine - the Bugle, and the Balsall Common Residents' Association serving both Parishes.

Given the interdependency which exists between the two Parishes of Balsall and Berkswell, it is imperative that they remain within the same ward.
