**Related subject:** Salendine Nook

In my opinion, Salendine Nook should be in the Lindley Ward. I was born in Huddersfield and have lived here my whole life (I'm now 72yrs), firstly Oakes and then Longwood. Growing up I attended Salendine Nook High School and I have always thought of Salendine Nook as being nearer to Lindley than Golcar for no other reason than I have always felt more of an affinity with Lindley. I now reside just above the Salendine Nook school. Thank you
