**Related subject:** Whether Netherton should be separated from Crosland Moor and Lockwood and

I disagree with the older people in Netherton who think we should belong in honley or Meltham. I mean, I've gone to school with those kids and if you live in Netherton, you just dont socialise with them. There's not even a bus to honley from here!!

My mates from school began at primary school in South Crosland so, theyre from Lockwood and crosland moor. Its wierd to think the old people reckon we've nothing in common with people down the road in Lockwood????!! Maybe it's more that they're actually racist and wish we'd all not mix, redraw v old boundaries to suit their own daft ideas!!!

So no. Please keep us like it always was. Don't listen to people who are prejudice or who are scared of people who don't look like them!!!
