The Greenhead Ward should have responsibility for Huddersfield Town Centre - this would make sense geographically, demographically and economically.

People resident in the Newsome Ward would benefit from not being in the same council area as the centre of Huddersfield.

Also, the Newsome Ward should be extended to encompass the area of Castle Hill - perhaps being bordered from Lowerhouses Lane to Lumb Lane. Castle Hill is an iconic area which - in every day - appears to be in the Newsome Ward.

I am aware that I do not have anywhere near a full budgetary understanding of the impact of these changes, but am happy to have a chance to state my opinion.
