Postcode: [REDACTED]  
Organisation Name: (Member of the public)

## Comment text:

**Related subject:** Liversedge and Gomersal

I feel that the amount of councillors should be cut in the area and Liversedge and Gomersal be joined with Heckmondwike to create an overall ward. There are some areas, like Norristhorpe, which I feel would benefit from being part of the same ward.

I would propose 4 councillors for the area as opposed to the 6 which cover the two wards.
