Good evening

I would like to let you know how I am against any proposals to merge Hastings Hill and Grindon with Pennywell and South Hylton.

I would like to keep Grindon Thorney Close Springhill and Hastings Hill as one ward.

There are excellent shared facilities, parks,schools, community groups youth and air cadet Centre.

There are excellent public transport links also good walking routes.

Pennywell is at the other side of a busy dual carriageway. The road is extremely dangerous to cross which essentially divides the two areas.

Please keep the two areas separate

Kind regards
