Dear Sir

I strongly support the Conservatives' proposals overall but especially the changes to the names of the Coalfields Wards. The Herrington Ward is warmly welcomed as a ward which properly encapsulates the Herringtons within a single ward. It does not make sense though to leave Penshaw out of the ward name and others similarly are confusing - Houghton North sounds too much like Houghton South and therefore invites conflation between the ward and the parliamentary constituency. This will be particularly confusing given we have already had changes to the parliamentary boundaries.

Kindest Regards
