Comment text:

Dear Boundary Commission,

I would like to object to the proposed boundary change that would move my address to the Southwick ward of Sunderland. As we use facilities within Fulwell ward such as Doctors, Sea Road shops, metro station and walking areas such as Seaburn Dene/cemetery it makes sense that the Fulwell boundary stays as the main road (Newcastle road). We do not have any connection to the Southwick ward and would be represented by councillors who would be looking after areas not used by us.

Regards,
