We both would like to say we strongly oppose any plans to merge with Pennywell and South Hykeon. We have a good bus route for grindon and Thorney close and Springwell. We have no bus route to Pennywell or South Hykeon. To get there you would have to cross a dual carriage way or walk, which would not be possible. Lots of elderly live on this estate, us being one of them. So we strongly oppose any plans to merge with Pennywell and South Hykeon.
