Related subject: Proposing to remove hollycarrside from ryhope ward

I disagree with the boundary in ryhope ward being moved to exclude hollycarrside.

To exclude the hollycarrside area from the ryhope ward would split a small village and close knit community in two.

It will affect the young people with in the community groups form access f the same youth provision as their class mates.
Moving the boundary could also stop siblings being able to get into the same school.
Changes to funding.
