Comment text:

Related subject: Fulwell, Ward

I've been informed that Cairns Road, Fulwell is to be amalgamated with Southwick and that the new boundary is the railway line. The shopping area and all community facilities lie in Fulwell not Southwick, which is a completely separate community. If any new boundary is to be made it most logically would be Newcastle Road, although residents just west of Newcastle Road would want the status quo to remain as it is. And rightly so.
