Dear Sirs,

As a resident of Fulwell, I support the proposals from the Conservatives. It makes sense to include Fulwell Mill in the Southwick (and Fulwell Mill) ward name as this area is not considered Southwick by local people and contains the distinctive landmark, Fulwell windmill. I support the new boundaries proposed by the Commission and, consequently, the proposal for the use of Seaburn Ward as a name. The Commission must recognise that the Fulwell area is now represented by 9 councillors under these plans (with the part of Fulwell where I live moving into Roker Ward) and so Seaburn is a more appropriate name for the proposed Fulwell Ward.

Kind regards,

[REDACTED]
