Comment text:

We are residents of [REDACTED] Fulwell, which is currently part of Fulwell Ward, and we strongly object to any proposed boundary changes which would see us move into Southwick Ward, if the boundary was moved to the railway line, as opposed to its current location ie. Newcastle Road.

We are an integral part of Fulwell Ward, and share lots of community facilities eg. Sea Road Shops, Monkwearmouth Academy etc. Please note that this is a formal objection to something which we do not want and which is totally unnecessary; it will cause upset to the people in this part of Fulwell Ward.
