Comment text:

Dear Sir/madam,

I am contacting you about your proposals for the Roker, Fulwell and Seaburn areas.

I live in Seaburn and believe that the Commission's proposals north of the River could be strengthened by making some small changes.

The boundary between Roker and Fulwell Wards should be moved north slightly - along Browne or Atkinson Roads, rather than Side Cliffe Road. I used to live Neal street and I know the move into St Peters ward will not make any difference to local residents. I have friends in Cairns avenue who definitely don't want it to be part of Southwick.

As Side Cliffe Road borders Roker Park, Roker URC Church etc it would not be an appropriate boundary between Roker and Fulwell - it should be a street a few streets north.

I also believe that Newcastle Road is a sensible and easy to understand boundary that should be respected consistently north to south to ensure consistency. This would keep the Coniston Avenue and Kirkstone Avenue areas in Fulwell instead of Southwick, which they do not share any affinity with.

Best wishes, [REDACTED]
