Comment text:

Dear Boundary Commission, I have received notification of the proposed ward boundary changes and that this would effectively mean my address [REDACTED] would be transferred from Fulwell Ward to Southwick Ward.

I write to express that I strongly object to this proposed boundary change.

The streets from Newcastle Road to the railway line form an integral part of the Fulwell community and utilise Fulwell's amenities including Schools, Shops, restaurants and pubs.

I strongly believe the boundary between Fulwell and Southwick should be Newcastle Road and not the railway line.

Regards
