Dear Boundary Commission,

My wife and I have lived in [REDACTED], Fulwell since we were married in 1976 and we have always had a choice between the candidates for our local government elections.

I am not aware of the Labour candidates being selected during this time.

We have been informed that a new map of ward boundaries will move the area from west of the railway line towards Newcastle Road will be amalgamated into the Southwick ward.

The result of this will not enable people that are moved into the Southwick ward will never have a candidate that we would normally have selected as I believe that there is not a choice apart from the Labour candidates.

The candidates that we already have do a very good job and we would like to keep it that way!

With this in mind, Newcastle Road should be the boundary to the west of the Fulwell ward.

Yours sincerely

[REDACTED]
