I disagree with changing hollycarrside from been part of Ryhope. I have lived in Ryhope (hollycarrside).all of my life and used all facilities that is part of Ryhope, including schools, youth club's, community centres. Which are all based on the Ryhope part of hollycarrside. I have children that I foster and need the use of all of these facilities and to change this would trauma these children more if they couldn't use the facilities that their friends use.
