Comment text:

We are against the proposal to merge Hastings Hill and Grindon with Pennywell and South Hylton areas.

Chester Road carriageway separates Hastings Hill from Pennywell. It is a really busy main road and a recognised division of areas along its route.

If the merger goes ahead, then Hastings Hill and Grindon will become physically separated from the main body of its new grouping! Hardly something to encourage inclusivity!
(We have lived at Hastings Hill since 1969).
