I have been a resident in the hollycarrside ryhope area for 62 yrs and i am not very happy with the ward been divided in section for political gain, my children grew up in this area and as we see it the whole of RYHOPE is a joint community the youth club has been a part of my family since it opened st patricks church is a place i was raised with my religious beliefs and i will not just stand by and let yous tear this community apart, i for one OBJECT to this and i assure you i will do my best to prevent your polital arrogance from tearing up our community! This will be shared amongst my social media accounts and will reach the vast amount of RYHOPE who i assure you will be in agreement with my views
