Review of Sunderland City Council Warding Arrangements Boundary Commission,

[REDACTED] I believe that the boundary between Fulwell and Southwick should be Newcastle Road not the Railway Line. May be even further back because of Fulwell Windmill. I have always used my address as Fulwell even though the post code is SR5 [REDACTED] and not SR6. My children both attended Fulwell Infant School and Juniors. [REDACTED] [REDACTED] wish to be kept in the Fulwell Ward. Thank You. X
