Comment text:

Dear Council. We have lived in Hastings hill for 22 years. We appose the merger of Hastings hill with Pennywell and South Hylton. This isn't in our best interest as we have no links with these 2 estates and being separated by the B183 Chester Road. We are linked with Grindon, Thorney Close and Springwell by the no16 bus and local streets, parks and communities centres. This is not the case with Pennywell and South Hylton which is hard to get to without a car, as no public transport is available to these places.
